

About Us

NDB enterprises is a company to provide auxiliary services, procurement and logistics to Companies mostly in Nigeria, Africa.

In collaboration with our Nigerian Partner (DIM Nig. LTD), based in IDU YARD, Abuja, we shall endeavour to have a hassle free procurement, supplies, deliveries and any other services we can handle to your Door steps.

We have technically sound people with in-depth knowledge of Spares market, and Manufacturers in India.

NDB's Expertise in Nigerian and Indian market will ensure quality and trustworthy assistance regarding all sorts of queries related to supplying of goods to Africa or its different parts. NDB gives consultancy services a new direction and work towards bringing best of both international markets.

How we will turn this into reality:

First of all, NDB's team will consolidate orders from the different companies or users in Nigeria. With NDB's services best offers and discounts will be available from different suppliers or manufacturer. Any discounts will be proffered to individual companies. We will package the parts, services etc together then the Nigerian company (DIM) will deliver to your doorsteps.

We can work together to have a payment plan to suit the customer.

We also have different delivery plans to suit the customers' need.

Our Mission

To provide international auxiliary services by inspiring powerful minds to create bold solutions. Our company's mission is simple: We want to have one company to provide auxiliary services and Logistics from India to help companies out of India who buy, MAKE IN INDIA, MADE IN INDIA, There's nothing like a mission to excite and unite people in a common goal. At each step of the relationship with our clients and businesses, we deliver value, advice and an expert point of view that enhances overall output and service delivery.

- Being legendary for generating the highest quality of market knowledge, to assist our clients in making the most effective business and marketing decisions possible
- Building and maintaining robust, long-term relationships with our clients and treasuring "client share" rather than "market share"
- Creating a work environment that offers our clients career development, a safe business advice.
- Fully developing the potential of each team member by emphasizing equal opportunity and merit.
